To Whom It May Concern,

The Appliance Source has completed business with Worldwide Moving Systems since 2010. Our company sells appliances in the Southern Maryland region.

Worldwide Moving systems provides us with affordable services, which includes receiving new product at their warehouse, inspection for unconcealed damage, inventory reporting, and full-service delivery.

The Appliance Source has been very pleased with the quality, professionalism, and consistency with which Worldwide Moving Systems has performed. Most notably, their staff is responsive to our needs and to those of our clientele. This company is proactive in reducing our liability and in regard to problem resolution.

I am very confident that Worldwide Moving Systems will remain a committed partner to The Appliance Source and essential to our success. Worldwide Moving Systems would be a valuable asset to any company requiring a dedicated supplier of delivery services while remaining keenly aware of the bottom-line.

I am available to speak on behalf of The Appliance Source to support our positive experience with Worldwide Moving Systems. I can be reached at 301-274-2570.

Sincerely,

Christy Oliff

President, the Appliance Source

To Whom It May Concern:

Cherry Cove of Great Mills, Maryland has completed business with Worldwide Moving Systems during 2008 – 2009. This company provided us with services supporting the renovation of our hotels through logistical support of new furniture and other hotel products. Services provided by Worldwide Moving Systems have included receiving, consolidation, inventorying, and distribution of products to our hotels in Lexington Park and Waldorf, Maryland.

Cherry Cove has been very pleased with the services of Worldwide Moving Systems. Most notably, this company has been attentive to detail, careful with the handling of products, proactive in reducing our potential liability, and accommodating of short-notice requests.

I am confident that Worldwide Moving Systems will remain a committed partner to Cherry Cove's future endeavors in the hospitality industry. Worldwide Moving Systems would be an asset to any firm needing a dedicated company to supply transportation and logistical support services.

Sincerely,
